After much, prayer and deliberation, I have decided to run for re-election. For twelve years I have worked hard for Hawaii's people. You have come to know the issues that are important to my district, the values I represent, and the causes that I championed in education, housing, health and welfare, and building our economy.

But there remains more to do for Hawaii and the district. With your support I will continue to work to make the Coast a safer place, with more opportunities for economic and social growth, and improve the quality of life for the people in the 44th District and in our State.

As your State Representative, I will continue to work hard and make decisions that respond to the people's priorities. The 2006 re-election campaign is approaching and I need your kokua and your support.

I look forward in serving you as your State House Representative of the 44th District, Honokai Hale, Koolina, Nanakuli and Maili. Democracy demands your participation.
